

2022-2023 Season Individual Player Sponsorship Information

Dear Potential Sponsor:

Club Nexus is a 501c3 athletic youth volleyball organization established with the purpose of providing quality competitive training for athletes who may not otherwise be able to participate due to financial constraints. Many individuals look back on their participation in team sports and realize how much they learned about themselves and life through those experiences. Those experiences shaped their work ethic, their determination, their attitude, and taught them how to contribute to something bigger than themselves.

Club Nexus is a member of the Arizona Region of USA volleyball. Many young athletes have the drive and talent to compete, but do not have the financing to do so. We believe that all young people with passion and talent deserve the opportunity to participate in competitive sports and to grow as an athlete and a person. In order to make this opportunity available to young athletes in west Phoenix, we rely on the support of generous individuals and businesses in our community. We are asking key businesses to commit to sponsoring a player or a team.
